

CRYING NEED IS FOR MORE BOARDING HOMES

Leaders of Young Woman's Christian Association Explain Nature of Its Work.

RAISE \$3,937 IN FIVE DAYS

Finance Week Closes To-Morrow Night, When Budget Committee Hopes to Have \$5,000 in Hand. How the Teams Stand.

With \$5,000 as their objective point, six teams of ten members each started out on Tuesday to solicit money for the Young Woman's Christian Association budget. It has been expected that the amount in hand was \$3,937.50. This leaves \$1,062 to be raised to complete the necessary sum, and the campaign closes to-morrow night at 6 o'clock. If any one has been missed, the young women urge that they send a check at once, so the full \$5,000 will be in their hands at the end of their very busy week.

The money so far is the gift of but 21 persons in amounts ranging from \$1 to \$100. The population of Richmond is about 150,000, and the work that is being done in the Y. W. C. A. clubs and classes affects for good, either directly or indirectly, almost every family in the city. So the committee hopes that to-morrow night the number of "those who have helped" on the other side will be greatly reduced.

The standing of the teams is as follows: The business girls' team, Miss Katherine H. Hawes, captain, \$1,189; Mrs. C. M. Ferrell's team, \$322.50; Mrs. C. P. Walcott's team, \$728; Mrs. C. O. Saville's team, \$434; Mrs. H. W. C. O. Saville's team, \$422.50; and Miss Katherine H. Hawes' team, \$310.50.

CRYING NEED IS FOR MORE BOARDING HOMES

One of the crying needs of the Y. W. C. A. is more boarding-homes. The home it now has does not house the great number of young women who come from the country districts in search of employment. The girls as they come are given the cheaper rooms afforded by the home; then, as they acquire greater efficiency in their work, they receive larger pay and move into the somewhat more expensive rooms, leaving the cheaper ones for the "new" girls. As they grow older and develop more poise and receive a substantial wage, they "graduate," so to speak, into the regular boarding-house. In this way the crowd in the boarding-home is constantly changing to make way for the more recent arrivals, even when the girls themselves would prefer to remain.

UNTRAINED GIRLS ARE FITTED FOR DEFINITE POSITIONS

One of the fine things that is being done at the present time in the home is that untrained girls are being assisted to fit themselves for some definite position, as there is practically no call at the present time for untrained labor.

This is only one of the departments of the Y. W. C. A. and the workers say there should be many more boarding-homes, because the work of the institution is essentially "preventive" and not reform work. To give the decent, hard-working girls a chance to earn their living and have a place of good environment while doing so; to give them the opportunity to attend the gymnasium classes; to have a little social life; to be in touch with a broader life—these are the things that Young Women's Christian Association stand for in Richmond. And this is why the leaders feel that the budget must be completed, so the real work of the association can be carried on without its workers being harassed by the petty details of money-raising schemes throughout the year.

SURE WAY TO GET RID OF DANDRUFF

End Itching Scalp and Stop Falling Hair—At Once.

There is one sure way that never fails to remove dandruff completely, and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon, apply it at night, when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and in three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to keep your hair looking rich, do by all means get rid of dandruff for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.—Adv.

INJUNCTION GRANTED IN ROLLING STOCK CASE

Railroads Entering Richmond Restrained From Paying Taxes to County.

VALIDITY OF ACT QUESTIONED

Judge Crump Grants Temporary Order on Application of City Attorney, Returnable on December 10—Large Amount Is Involved.

The city of Richmond, through the office of City Attorney Pollard, yesterday filed the second gun in the fight to recover for the municipality approximately \$150,000 a year, which was lost from the revenues by the passage of the rolling stock bill by the last General Assembly.

City Attorney Henry B. Pollard, accompanied by Assistant City Attorney George Wayne Anderson, went before Judge Crump in the Law and Equity Court with an application for an injunction prohibiting the different railroads traversing Virginia territory from paying taxes on rolling stock to the commissioners of the revenue in the various counties. The petition was based upon the contention that the so-called rolling stock bill passed by the Legislature is unconstitutional. Attached to the application was a copy of the petition recently filed in the City Circuit Court. The grounds set forth in the original petition are again submitted.

JUDGE CRUMP AWARDS CITY TEMPORARY INJUNCTION

Judge Crump awarded a temporary injunction, which blankets all the railroad companies named in the petition, requiring a bond of \$2,500 from the city in each instance. The railroads affected are: Richmond, Fredericksburg and Potomac; Richmond and Chesapeake Bay; Chesapeake and Ohio; Southern Railway; Virginia Railway and Power Company and the Richmond and Rappahannock Railroad.

A separate petition was submitted in each instance, all being identical.

The injunction as awarded was made effective yesterday and limited to December 13, on which date a hearing will be given to determine whether the restraining order shall be made permanent or dissolved. Whatever the result it is a foregone conclusion that the case will be carried to the Supreme Court of Appeals.

The substance of the petition on which the injunction was secured is given in the following incomplete text of the petition affecting the Southern Railway, which formally asks "that an injunction be awarded . . . enforcing and restraining the said defendants, their agents and assistants, and all other persons whatsoever, from taking any steps or doing any acts to enforce or collect the said taxes mentioned in the bill as having been levied on the rolling stock of the defendant corporation by the said several counties, cities, towns and school districts in and through which the line or roadway of the said defendant railroad corporation is located, other than the city of Richmond, and from paying or receiving the same, the said injunction to take effect upon the complainant, the city of Richmond, or some one for it, entering into bond with security to be approved by the clerk before the clerk of this court in the penalty of \$2,500."

SCHOLASTICS WIN FROM BARTON HEIGHTS TEAM

Strengthen Claim to Amateur Championship of Itchenor and Challenge the C. C. A. Eleven.

By defeating Barton Heights yesterday at Hyrd Park by the decisive score of 17 to 0, the Scholastics have strengthened materially their claim to the amateur championship of Richmond. This claim, which has been disputed by the Church Hill Athletic Association, which defeated Scholastics some time ago, in an entirely unsatisfactory game.

The game, under protest, was played on the Church Hill grounds, and was presided over by the Scholastics' agent, by thoroughly competent officials.

Last Saturday Barton Heights defeated Church Hill by a wide margin, and Barton Heights, in turn, has been twice defeated by the Scholastics, who are ready and anxious to meet Church Hill in a game on neutral grounds at any time.

The game yesterday was the most sensational ever played at Hyrd Park. Time after time Full Back Gee, of the Scholastics, would penetrate the line for gains of five to twenty yards. Parker, at left half, was the star of the game. His running back of punts and defensive work was remarkable, he once making a run of fifty-five yards through the Barton Heights line. The playing of Hart, who secured a drop-kick from the twenty-five-yard line, and of Hanson, who, after an attempted kick, kicked up the ball and ran twenty yards for a touchdown, was of the stela variety. Remine, Gerring and Locke put up a great defensive

game, time and again throwing the Barton Heights backfield for losses. For Barton Heights, Heubi and Dunn played a star game. The line-up follows:

Scholastics: Lacy, right end; Gerring, right tackle; Pennick, right guard; Locke, center; Whitteire, left guard; Remine, left tackle; Hanson, left end; Hart, quarter back; Stoltz, right half; Parker, left half; Gee, full back.

Barton Heights: Richardson, right end; Hall, right tackle; Taylor, right guard; Martenstein, center; Tiller, left guard; Strenger, left tackle; Peasley, left end; Heubi, quarter back; Watson, right half; Dunn, left half; Hall, full back.

Thanksgiving Service at Temple. Religious services will be held at Beth Abrahah Temple on Thursday morning at 11 o'clock. Rabbi E. N. Caisel will make the address. The public is especially invited to attend this service.
